Change of Company Name and ASX Code

Tychean Resources Limited (ASX: TYK) wishes to advise that for ASX purposes it has formally changed its name from ERO Mining Ltd to Tychean Resources Ltd and appeared on the ASX listings today under the new ASX issuer code "TYK".

The Australian Securities and Investments Commission recorded the change of name on 23 August 2013.

The name change follows the Annual General Meeting of the Company held on 23 August 2013 where shareholders voted in favour of a resolution to change the name to Tychean Resources Ltd. The change reflects the new invigorated direction of the former ERO Mining, which has shed its name, placed its former SA-based exploration assets up for sale and acquired two new gold exploration plays in Western Australia's prime eastern Goldfields.
