## **Entitlements Issue**

The Entitlements Issue will constitute an offer of approximately 500.5 million new fully paid ordinary shares in the Company on the basis of 1 new share for every 3 existing shares held by eligible shareholders on the Record Date. Shareholders with an address in Australia or New Zealand on the Company's register at the close of business on Tuesday, 3 June 2014, will be eligible to participate in the Entitlements Issue ("Eligible Shareholders").

The Directors reserve the right to place the remaining shortfall at their discretion within three months after the close of the Offer. Eligible Shareholders' entitlements pursuant to this Entitlements Issue are non-renounceable and accordingly, they may:

- take up their rights in full or in part;
- do nothing; in which case their rights will lapse; or
- take up their rights in full and apply for additional new shares.
